Marshalls Creek	PA	570	18335	Eastern
Emerald	PA	610	18080	Eastern
Pocono Pines	PA	570	18350	Eastern

- ◆ Use input masks for the area code and zip code fields.
- ◆ Use default values for the state and time zone fields.
- ◆ Query the table for all the records in the Eastern time zone and print the dynaset.
- ◆ Create a report for the table that will group by time zone and then put the information in alphabetical order by city name.
