

Choose Your Own Adventure

Using object buttons, you are to create a **CHOOSE YOUR OWN ADVENTURE** presentation in **PowerPoint**.

1. Take some time to find out what a **Choose Your Own Adventure** book is or get some ideas! Check out some examples from other students →

- www.enter.net/~rezipix/info/powerpoint.htm
- Open a student's file. Note: you need to click the mouse or space bar in order to progress through the presentation.

2. Now start working on your **own** story in PowerPoint.

3. Here are the requirements for this project →

- 14 slides total – 14 points
 - ✓ Title slide
 - ✓ At least 12 slides working your way to the end.
 - ✓ A slide that reads THE END in word art
- 2 object buttons (at least) – 6 points
- Custom Animation – 2 points
- Drawing Tools – 2 points
- Apply a design – 2 points
- Change the background color on one slide – 2 points
- Print out as 6 slides per page – 2 points
- Appropriate story line – 5 points
- Spelling – 5 points
- Grammar – 5 points

Total points → 45
